

## **Surveying Hire Requisition**

Batture LLC is looking for an experienced and reliable Survey Technician to perform land surveying duties in the field and office for a small land surveying firm in New Orleans. Batture works throughout the Greater New Orleans area and the surrounding Parishes on projects in residential and commercial land development. Ideal candidate will be a hard worker with a professional attitude on the job site and in the office.

### *Field Responsibilities:*

- Running a one-man or two-man survey crew while performing boundary, topographic, and construction surveys
- Operating a robotic total-station, GNSS receivers, data collectors, and other related survey equipment

### *Office Responsibilities:*

- Processing data from field surveys
- Drafting topographic and boundary surveys
- Complete elevation and benchmark certificates

### *Requirements:*

- Experience working in the office for a land surveying firm utilizing AutoCAD Civil 3D
- Experience using Data Collection Software with a Robotic Total Station and GNSS
- Ability to complete moderate physical activity such as driving stakes with a hammer, carrying equipment, and walking varying distances
- A current, valid driver's license
- Punctuality is a must

### *About us:*

*Batture is dedicated to the idea that a highly inspired team can deliver outstanding results while also creating powerful social and environmental change. During every one of our projects, we are energized by this unique purpose.*

*Batture is an equal opportunity employer. We do not discriminate in employment, recruitment, advertisements for employment, compensation, termination, promotions and other conditions of employment against any employee or job applicant on the basis of race, color, gender, national origin, age, religion, creed, disability, veteran's status, sexual orientation, gender identity or gender expression.*
